

# Gene expression profile expression of human radiation injury

Gene expression profiles and methods of screening which can identify exposure to ionizing radiation.

## Patents

Patent Number: 10,370,712

Title: SIGNATURES OF RADIATION RESPONSE

Country: United States of America

# Duke

## LICENSING & VENTURES

**Duke File (IDF) #**

T-004067

**Inventor(s)**

- Chute, John
- Dressman, Holly
- Lucas, Joseph
- Nevins, Joseph

**College**

School of Medicine (SOM)
